

JIFFY® PADDED BAG

The **JIFFY® PADDED BAG**, the original environmental champion, offers significantly better performance in burst strength, durability and cushioning when compared to lighter weight mailers.

PROPERTIES

Tough outer paper. Comprised of 100% recycled paper fibre lining and folded construction, with doubled glued bottom flap and no side seams. Provides highest resistance against bursting and puncture. Maximum peace of mind for items you want to ensure arrive in perfect condition. Its paper construction allows it to absorb grease off mechanical parts in transit. Fully recyclable.
